RECYCLING

All containers should be emptied and rinsed. Plastic, glass, aluminum, steel, tin, paper and cardboard are comingled in one compactor.

The following methods should be followed at the Transfer Site/Recycling Center:

PLASTIC #1 thru #7: *RECYCLE* milk, juice, soda & water containers, detergent & fabric softener containers, health & beauty aid product containers, household cleaners, margarine and yogurt cups, 6- & 12-pack rings, syrup and ketchup bottles, kitty litter containers. Containers must be rinsed.

DO NOT RECYCLE insecticide or hazardous chemical containers (dispose with hazardous waste), plastic grocery bags (take to your local grocery store), plastic film, styrofoam or polystyrene material, plastic toys, spray nozzles and pumps.

GLASS: *RECYCLE* glass containers such as applesauce jars, perfume bottles, wine and beer bottles. Clear, green and brown glass are acceptable. Containers must be rinsed.

DO NOT RECYCLE windows, mirrors, light bulbs, pyrex dishes, dinnerware, ceramics, chemical or medical containers.

ALUMINUM, STEEL & TIN: *RECYCLE* aluminum cans, trays and foil, steel and tin cans in the form of food and beverage containers. Containers must be rinsed.

DO NOT RECYCLE flatware, tools, siding or gutters.

PAPER: *RECYCLE* newspapers, magazines, cardboard and mixed papers such as corrugated boxes, brown paper bags, cereal/cake boxes with plastic liners removed, paper egg cartons, junk mail, envelopes including window envelopes, catalogs, telephone books, paperback books, hardcover books with front and backs removed. Please break down boxes.

DO NOT RECYCLE bathroom waste paper, food stained papers like pizza bottoms, foil or glitter gift wrap, carbon paper, cellophane, styrofoam, stickers, wet paper products and those containing plastic, wax or metal foil coatings. Remove hot melt glue used to adhere ads to magazines and mailings.

Contact the following organization to get yourself off mailing lists to reduce your junk mail: www.dmachoice.org

HOUSEHOLD HAZARDOUS WASTE (HHW) CONT.

www.uwm.edu/environmental-protection/disposal-guide For information regarding Hazardous Waste disposal from UW Extension.

Earth911.com is a resource for other locations to dispose of HHW properly. Type in your zip code for the nearest drop-off locations.

DISPOSAL OF ELECTRONICS

WI's electronic recycling law became effective January 1, 2010. This law requires manufacturers to collect or contract with others to collect devices such as computers, monitors, printers, fax machines, TVs, VCRs, DVD players and cell phones. These items cannot be placed in the compactor or accepted at the recycle center. Electronics are considered Hazardous Waste and must be recycled. For a list of collection sites, visit: dnr.wi.gov, search "ecycle"

- ▶ **Veolia Environmental Services* with a fee of \$.40/lb. MONDAY ONLY from 8 am - 5 pm. Fees may change.
- ▶ Joint Town/Village of Belgium E-Cycle Event usually held the Saturday after Mothers Day bi-annually in even-numbered years.

DISPOSAL OF APPLIANCES/METALS
